...BECAUSE WE CARE

After the successful launches of many innovative products in the national and international market, COVID19 made igroomup think about the new normal lifestyles and the needs that are on the rise. Hence we are proud to launch our new range of DIY Solutions, Sanitisation Products and Single Use Kits under our brand ZeeSaa.

ZeeSaa's Disposable Kits will take care of customers' safety in the new world while the innovatively designed DIY products will help them limit their exposure to the outside world. The Sanitization Essentials will ensure that premises of all the businesses remain a safe and healthy place in an unsafe world.

Trust ZeeSaa in the new normal lifestyle...because we care!
